

Ignorant or Ignoring God?

So many times our problems come not so much because we are **ignorant** but because we are **ignoring** the guidance from God!

In Matthew 7 we are reminded of seven areas in our lives where God gives specific instructions on how to live it to His fullness:

- Judging others
- How and what to ask of Him
- The Golden Rule
- Two ways of life
- False vs. true
- The route to the Kingdom
- Where to build your life

Judging others—read Matthew 7:1-6

How and what to ask—read Matthew 7:7-11

The Golden Rule—read Matthew 7:12

Two ways of life—read Matthew 7:13-14

False vs. true—read Matthew 7:15-20

The route to the Kingdom—read Matthew 7:21-23

Where to build your life—read Matthew 7:24-27

Jesus taught these precepts by His Spirit and not as the Scribes with their tainted religious babblings. Many were amazed, but many walked away. What will you do? Now that you've heard, you are not ignorant...from here on you can only ignore or obey Him. You choose!
